

Safety Awareness

At the Royal Albatross Centre
2008

Observatory

- Please **keep noise levels low** – so we don't disturb the birds.
- Please **take care with specimen jars**.
- **No flash photographs** of the birds please.

Fort

- Tunnels echo, so please **keep noise level down**.
- Be careful of the **steep steps** leading down to the gunpit.

Outdoor Areas

- Please **keep to the paths**, and follow your guide closely.
- **No running** on the paths please.
- **No smoking**, it could cause a fire.

Fire

- If the FIRE ALARM sounds during your visit, please listen carefully to the instructions that your guide gives you.

Evaluation Form

- Please fill out the evaluation form at the end of your visit (a guide will provide) – Thank you
